

B.S. in Health Services Administration

Degree Maps

Introduction

Degree Requirements

General Education	36 to 42
<i>Required Core</i>	12
<i>Flexible Core</i>	18
<i>College Option</i>	6 to 12
Required Courses	69
<i>HESA Core</i>	54
<i>HESA Electives</i>	15
Free Electives	9 to 15
Total	120

The requirements above lists the credits in each of the categories. While students transfer 24 or more credits to CUNY SPS, this degree map has been constructed to show the full curriculum.

Notes:

- Required number of College Option credits and free electives required will be based on the transfer credit evaluation. In general, students will be required to complete College Option credits and free electives as follows:

Transfer with	College Option Credits	Free Elective Credits
Associate Degree	6	15
More Than 30 Credits	9	12
30 or Fewer Credits	12	9

- Students who transfer a course that is an equivalent for any part of the curriculum will not be required to repeat the course.
- Students who take a course at CUNY SPS (or transfers a course) that satisfies both a Health Services Administration requirement and General Education requirement will have additional credits added to the required free electives.
- Five courses (15 credits) satisfy both core requirements as well as General Education requirements.
- Students will choose five courses from among the nine available HESA elective options. Three of these courses (BIO 310, ECO 201, and SPAN 110) also fulfil General Education requirements. Students who take any these courses will satisfy both a HESA elective and General Education requirement.

Given these assumptions, the following is a likely breakdown of the credit distribution for completion of the degree:

Satisfies	Credits
Gen. Ed.	21
HESA Core & Gen. Ed.	15
HESA Core	39
HESA Elective	9
HESA Elective & Gen. Ed.	6
Free Elective	30
Grand Total	120

General Education Key

EC - English Composition
MQR - Mathematical and Quantitative
LPS - Life and Physical Sciences
WCGI - World Cultures and Global Issues
USED - U.S. Experience in Its Diversity
CE - Creative Expression
IS - Individual and Society
SW - Scientific World
CO - College Option

B.S. in Health Services Administration

Term One

Course	Prerequisite	Satisfies	Pathways	Credits
CIS 101 - Computer Fundamentals and Applications	None	HESA Core		3
ENG 101 - College Writing I	None	Gen. Ed.	EC	3
HIM 205 - Health Care Delivery Systems	None	HESA Core		3
MATH 215 - Introduction to Statistics	None	HESA Core & Gen. Ed.	MQR	3
College Option 1	None	Gen. Ed.	CO	3
Semester Total				15

Term Two

Course	Prerequisite	Satisfies	Pathways	Credits
BIO 200 - Human Biology	None	HESA Core & Gen. Ed.	LPS	3
College Option 2	None	Gen. Ed.	CO	3
ENG 102 - College Writing II	ENG 101 or equivalent	Gen. Ed.	EC	3
HIM 200 - Medical Terminology	None	HESA Core		3
PHE 200 - Introduction to Public Health	None	HESA Core & Gen. Ed.	SW	3
Semester Total				15

Term Three

Course	Prerequisite	Satisfies	Pathways	Credits
HIM 332 - Quality and Performance Improvement	HIM 205 and MATH 215	HESA Core		3
PHIL 201 - Bioethics for Health Professions	None	HESA Core & Gen. Ed.	IS	3
RM 201 - Introduction to Research Methods	None	HESA Core		3
SPAN 110 - Spanish for Health Professions	None	HESA Elective & Gen. Ed.	WCGI	3
COM 210 - Writing at Work (College Option 3)	ENG 101 or equivalent	HESA Core & Gen. Ed.	CO	3
Semester Total				15

Term Four

Course	Prerequisite	Satisfies	Pathways	Credits
BUS 305 - Accounting Fundamentals	Any 200-level math course	HESA Core		3
College Option 4	None	Gen. Ed.	CO	3
HESA 369 - Health Information Technology	BUS 200 or CIS 101 and HIM 205	HESA Core		3
HIM 360 - Privacy and Security of Health Information	HIM 205	HESA Core		3
PROM 210 - Fundamentals of Project Management	CIS 101 or IS 200	HESA Core		3
Semester Total				15

Term Five

Course	Prerequisite	Satisfies	Pathways	Credits
BUS 325 - Principles of Management Information Systems	None	HESA Elective		3
Creative Expression	None	Gen. Ed.	CE	3
HIM 365 - Management in Health Care	HIM 205, ENG 102 OR COM 210	HESA Core		3
US Experience in its Diversity	None	Gen. Ed.	US	3
Free Elective		Free Elective		3
Semester Total				15

Term Six

Course	Prerequisite	Satisfies	Pathways	Credits
BUS 200 - Introduction to Business	None	HESA Elective		3
HIM 370 - Organizational Development and Planning	HIM 332	HESA Core		3
Free Elective		Free Elective		9
Semester Total				15

Term Seven

Course	Prerequisite	Satisfies	Pathways	Credits
ECO 201 - Microeconomics	None	HESA Elective & Gen. Ed.	IS	3
HESA 450 - Compliance, Regulatory, and Legal Issues in Health Care	HIM 205, HIM 360	HESA Core		3
Free Elective		Free Elective		9
Semester Total				15

Term Eight

Course	Prerequisite	Satisfies	Pathways	Credits
BUS 306 - Managerial Accounting	BUS 305	HESA Elective		3
HESA 499 - Health Services Administration Capstone	HIM 369, HIM 370	HESA Core		3
Free Elective		Free Elective		9
Semester Total				15
Program Total				120
