## B.S. in Health Information Management Degree Maps <br> Introduction

Degree Requirements

| General Education | $\mathbf{3 6}$ to $\mathbf{4 2}$ |
| ---: | :---: |
| Required Core | 12 |
| Flexible Core | 18 |
| College Option | 6 to 12 |
| Required Courses | $\mathbf{6 6}$ |
| Free Electives | $\mathbf{2 1}$ to $\mathbf{2 7}$ |
| Total | $\mathbf{1 2 0}$ |

The requirements above lists the credits in each of the categories. While students transfer 24 or more credits to CUNY SPS, this degree map has been constructed to show the full curriculum.

## Notes:

- Required number of College Option credits and free electives required will be based on the transfer credit evaluation. In general, students will be required to complete College Option credits and free electives as follows:

| Transfer with | College Option Credits | Free Elective Credits |
| :--- | :---: | :---: |
| Associate Degree | 6 | 27 |
| More Than 30 Credits | 9 | 24 |
| 30 or Fewer Credits | 12 | 21 |

- Students who transfer a course that is an equivalent for any part of the curriculum will not be required to repeat the course.
- Students who take a course at CUNY SPS (or transfers a course) that satisfies both a Health Information Management requirement and General Education requirement will have additional credits added to the required free electives.
- Three courses (nine credits) in the Health Information Management satisfy both core requirements as well as General Education requirements.

Given these assumptions, the following is a likely breakdown of the credit distribution for completion of the degree:

| Satisfies | Credits |
| :--- | :--- |
| Gen. Ed. | 33 |
| Core \& Gen. Ed. | 9 |
| Core | 57 |
| Free Elective | 21 |
| Grand Total | $\mathbf{1 2 0}$ |

General Education Key
EC - English Composition
MQR - Mathematical and Quantitative
LPS - Life and Physical Sciences
WCGI - World Cultures and Global Issues
USED - U.S. Experience in Its Diversity
CE - Creative Expression
IS - Individual and Society
SW - Scientific World
CO - College Option
B.S. in Health Information Management

| Term One |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| BIO 200 - Human Biology | None | Core \& Gen. Ed. | LPS | 3 |
| CIS 101 - Computer Fundamentals and Applications | None | Core |  | 3 |
| ENG 101 - College Writing I | None | Gen. Ed. | EC | 3 |
| MATH 215 - Introduction to Statistics | None | Core \& Gen. Ed. | MQR | 3 |
| HIM 202 - Introduction to Health Information Management | None | Core |  | 3 |

| Term Two |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| BIO 310-Pathophysiology and Pharmacology | BIO 200 | Core \& Gen. Ed. | SW | 3 |
| ENG 102 - College Writing II | ENG 101 or equivalent | Gen. Ed. | EC | 3 |
| HIM 200 - Medical Terminology | None | Core |  | 3 |
| HIM 205 - Health Care Delivery Systems | None | Core |  | 3 |
| College Option 1 | None | Gen. Ed. | CO | 3 |
| Semester Total 15 |  |  |  |  |

| Term Three |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| College Option 2 | None | Gen. Ed. | CO | 3 |
| PROM 210 - Fundamentals of Project Management | CIS 101 or IS 200 | Core |  | 3 |
| US Experience in its Diversity | None | Gen. Ed. | USED | 3 |
| HIM 250 - Health Statistics and Research | HIM 202, MATH 215 and CIS 101 | Core |  | 3 |
| HIM 300 - Survey of Clinical Classification Systems | BIO 310, HIM 200 and HIM 202 | Core |  | 3 |

| Term Four |  | Catisfies | Pathways | Credits |
| :--- | :--- | :--- | :--- | :--- |
| Course | Prerequisite | Gen. Ed. | CO |  |
| College Option 3 | None | 3 |  |  |
| Creative Expression | None | Gen. Ed. |  |  |
| HIM 360 - Privacy and Security of Health Information | HIM 205 | CE |  |  |
| HIM 331 - Legal and Ethical Aspects of Healthcare | HIM 202 | Core |  |  |
| World Cultures and Global Issues | None | Core |  |  |

| Term Five |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| College Option 4 | None | Gen. Ed. | CO | 3 |
| HIM 365 - Management in Health Care | HIM 205, ENG 102 OR COM 210 | Core |  | 3 |
| HIM 361 - Introduction to Database Design | CIS 101 | Core |  | 3 |
| HIM 465 - Electronic Health Records | HIM 300, HIM 360 | Core |  | 3 |
| Individual and Society | None | Gen. Ed. | IS | 3 |

| Term Six |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| HIM 332 - Quality and Performance Improvement | HIM 205 and MATH 215 | Core |  | 3 |
| HIM 362 - Healthcare Data Analysis | HIM 250, HIM 361 | Core |  | 3 |
| HIM 350 - Health Information Management Applications | HIM 202, HIM 205, CIS 101 | Core |  | 3 |
| Flexible Core (TBD by Student) | None | Gen. Ed. | TBD | 3 |
| Free Elective |  | Free Elective |  | 3 |
|  |  |  | Semester Total | 15 |
| Term Seven |  |  |  |  |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| HIM 370 - Organizational Development and Planning | HIM 332 | Core |  | 3 |
| HIM 351 - Professional Practice Experience 1 | HIM 250, HIM 331, HIM 332 | Core |  | 3 |
| Free Elective |  | Free Elective |  | 9 |
|  |  |  | Semester Total | 15 |
| Term Eight |  |  |  |  |
| Course | Prerequisite | Satisfies | Pathways | Credits |
| HIM 380 - Reimbursement Methodologies | HIM 300, HIM 365 or approval of Program Director | Core |  | 3 |
| HIM 451 - Professional Practice Experience 2 | HIM 362, HIM 380, HIM 465 | Core |  | 3 |
| Free Elective |  | Free Elective |  | 9 |
| Semester Total 15 |  |  |  |  |
| Program Total 120 |  |  |  |  |
